We beg to state that as we import Drugs, Chemicals, and Goods of every kind, of the best description only—no other quality is kept in stock.

Our long experience and intimate acquaintance with the Trade, and the best sources of supply, enable us to purchase direct from the Producers at the very best terms, and thus give us an advantage which enables us to offer our constituents the benefit of a moderate reduction in the price of all our Specialities as compared with similar articles sold elsewhere.

We wish it to be clearly understood that our goods are not to be compared with any other firm in the Colony; and we trust of will soon become generally known that, quality for quality, our charges all round compare favourably with local rates, and in most instances with those ruling at home.
